DWU a COLLEGE OF DISTINCTION

The only South Dakota college listed on CollegesofDistinction.com, DWU has been recognized two years in a row for our "engaged students, great teaching, vibrant communities and successful outcomes."

LIVE WELL
Learn **STRONG**

There's one thing you'll do more of at college than study, and that's *live*. And few places offer a lifestyle that's as interconnected, supportive and stimulating as DWU. Here, you'll discover a faith-friendly community defined by academic challenge and personal growth. DWU isn't just a place to study. *It's a place to live well.*

LIFE OF THE MIND

At DWU, you'll meet new friends who are like you, and you'll discover people and ideas you never imagined. You'll join organizations that stimulate your natural interests and be exposed to new ones you didn't even know existed. Your mind will be opened to new possibilities and opportunities.

“Perfecting a heart to serve is easy at DWU.”

I've been involved with fundraising for mission trips to Peru and New Orleans, and I'm active in local mission projects.”

Joe Ford, Graphic Design, Vermillion, S.D.

LIVING THEATRE

Students in the DWU theatre program study theatre production in Great Britain during a special May trip onto Shakespeare's stage and into London's theatre district. Campus productions invite participation by Mitchell area thespians as well.

LIFE OF THE SPIRIT

Make the connection between faith and service. DWU offers mission trips, service projects and a powerful campus ministry that welcomes all faiths in an exploration of the spirit that binds us to great work and a sense of personal value. DWU encourages you to take service to heart.

CAMPUS **MINISTRY**

Proudly affiliated with the United Methodist Church since our founding, DWU is a faith-friendly community where an active campus ministry is central to student life. Through campus ministry, students worship, go on retreats, participate in outreach projects and mission trips, work with area churches and more.

MISSION **TRIPS**

Mission trips to Peru, Tanzania, New Orleans, and other international and domestic destinations offer the perfect opportunity to mix service with socially conscious learning.

A TRADITION OF **SERVICE**

Service is a 127-year-old DWU tradition. Recently, campus volunteers booked a record 1,000+ hours of time during our annual Service Day.

With 15 intercollegiate athletic teams to join or cheer on, a full schedule of intramural athletics, campus events and the company of other students who live in your residence hall, DWU offers a rich social life where every student has the chance to participate, and all are encouraged to join in and live the life of a DWU Tiger.
